Preface

Map of Classification of Agricultural Regions

I. 1.Overview of the World Census of Agriculture and Forestry 2005.....	1
1. Survey Objectives and Other Details	3
(A) Basic Role of Census of Agriculture and Forestry	3
(B) Issues on Census of Agriculture and Forestry 2005	3
(C) Improvement of the Census of Agriculture and Forestry 2005.....	4
2. Legislative Foundations	7
3. Survey System	8
(A) Range of Survey.....	9
(B) Range of Survey Area.....	9
(C) Role of Survey Institutions and Each Organization.....	9
4. Progress of the Survey	12
5. Budget.....	13
6. Public Relations	14
(A) Efforts by MAFF	14
(B) Efforts by Prefectures and Municipalities.....	14
7. Public Announcement of Results.....	15
8. Definitions	16
(A) Definitions on Agriculture and Forestry Management Entities	16
(B) Definitions on Farmland	18
(C) Definition on Household Members.....	20
(D) Definitions on Classifications.....	20
Appendix 1 History of the Census of Agriculture and Forestry	23
Appendix 2 Survey System of the Census of Agriculture and Forestry 2005	24

II Overview of the Results for the Census of Agriculture and Forestry 2005	25
【Agricultural and Forestral Management Entities】	27
1. Number of Management Entities for Agriculture and Forestry	27
2. Number of Agricultural Management Entities.....	27
(A) Number of Entities by Classification by Type of Farm Management	27
(B) Number of Agricultural Management Entities by Scale of Cultivated Land Under Management	27
(C) Number of Agricultural Management Entities by Type of Farm.....	28
(D) Number of Management Entities Engaged in Sustainable Agriculture	28
3. Land Holdings.....	29
(A) Cultivated Land under Management.....	29
(B) Agricultural Products	29
(C) Livestock.....	29
4. Consignment of Farming	30
【Farm Households】	31
1. Number of Farm Households.....	31
(A) Total Number of Farm Households	31
(B) Number of Farm Households by Scale of Cultivated Land under Management	
(Commercial Households)	32
(C) Number of Farm Households by Status of Farm Business (Commercial Farm Households).....	32
(D) Number of Farm Households by Full-Time and Part-Time (Commercial Farm Households)	33
(E) Number of Farm Households by Sales Amount of Agricultural Produce	
(Commercial Farm Households).....	34
(F) Number of Farm Households by Type of Farm Management (Commercial Farm Households)..	35
2. Population of Farms Households and Employment Structure	38
(A) Population of Farm Households.....	38
(B) Employment Status (Commercial Farm Households).....	39
(C) State of Farm Manager (Commercial Farm Households)	41
3. Land Holdings.....	41
(A) Cultivated Land under management	41
(B) Cultivated Land Lent to Others	42
(C) Abandoned Cultivated Land	43
4. Agricultural Production (Commercial Farm Households)	43
(A) Production of Agricultural Crops.....	43
(B) Feeding Livestock.....	44

【Agricultural Establishments Except Farm Households】	45
1. Total Number of Establishments	45
2. Number of Establishments by Scale of Cultivated Land under Management Area (Commercial Establishments).....	45
3. Number of Establishments by Sales Value of Farm Products (Commercial Establishments).....	46
4. Number of Establishments by Type of Farm (Commercial Establishments).....	46
5. Agricultural Production (Commercial Establishments).....	47
【Agricultural Service Establishments】	48
1. Total Number of Establishments	48
2. Number of Establishments by Category	48
3. Number of Establishments by Amount of Entrustment Income	49
【Forestry Households】	50
1. Total Number of Forestry Households.....	50
2. Number of Forestry Households by Scale of Area of Owned Forest Land and the Share of Owned Forest Land	50
【Forestry Service Establishments】	52
1. Number of Establishments by Type of Forestry Management	52
2. State of Consigning Work.....	52
【Rural Areas】	53
1. Rural Communities (Excluding Rural Communities where all Areas have been Urbanized)	53
(A) Number of Rural Communities by Conservation of Regional Resources	53
(B) Ratio of Rural Communities by Interactive Programs using Regional Resources	53
2. State of Forests Land and Grazing Land and Forests	54
(A) Area of Forest Land and Grazing Land	54
(B) Accumulation of Forests (For Forest Plans).....	55

III Statistical Tables.....	57
1. Agricultural Managements Entities	59
《By Nationwide Farming Regions》	59
(1) Number of Agricultural managements entities by Amount of Sales of Agricultural Produce	59
《Scale of Cultivated Land under Management》	60
(2) State of Cultivated Land under Management	60
《Scale of Sales Value of Farm Product》	61
(3) Number of Management Entities by Type of Crop for Commercial Use	61
(4) Classification by Area of Type Crops for Commercial Use	63
《Classification by Amount of Income of Entrustment Fees for Farming》	65
(5) Number of Entrusted Management Entities by Type of Farming	65
2. Farm Households	66
《Classification of Farm Households by Cultivated Land Under Management》	66
(1) Total Number of Farm Households	66
(2) Age Distribution of Household engaged in own Farming (Commercial Farm Households).....	67
(3) Age Distribution of Population engaged farming (Commercial Farm Households)	69
(4) State of Cultivated Land under Management (Commercial Farm Households)	71
(5) Classification of Farm Households by Type of Crops for Commercial Use (Commercial Farm Household)	72
(6) Classification by Area of Type of Crops for Commercial use(Commercial Farm Households) ..	74
(7) Number of Livestock in Farms Household for Commercial Use in Livestock Husbandry	76
3. Commercial Agricultural Establishments other than Farm Households	77
《Classification by Type of farm management》	77
(1) Number of Establishments by Sales Amount of Farm Product.....	77
(2) State of Cultivated Land under Management	78
《Scale of Cultivated Land under Management》	79
(3) Number of Establishments by Sales Amount of Farm Product	79
(4) Farm Workforce.....	80
(5) State of Cultivated Land under Management	81
(6) Number of Establishments by Type of Crop for Commercial Use	82
(7) Number of Livestock inn Farm Households for Commercial Use in Livestock Husbandry	84

IV Questionnaire	85
1 2005 Census of Agriculture and Forestry	
Questionnaire for Survey on Management Entities of Agriculture and Forestry	
(Prefecture use [excluding Okinawa])	87
2. 2005 Census of Agriculture and Forestry	
Questionnaire for Survey on Management Entities of Agriculture and Forestry	
(Hokkaido use).....	101
3. 2005 Census of Agriculture and Forestry	
Questionnaire for Survey on Management Entities of Agriculture and Forestry	
(Okinawa use)	113
4. Census of Agriculture and Forestry 2005	
Questionnaire for Survey on Rural Area (For Municipality).....	125
5. Census of Agriculture and Forestry 2005	
Questionnaire for Survey on Rural Area (For Rural community)	129
6. Census of Agriculture and Forestry 2005	
Survey on Rural Community	131
